

Washington's Mount Vernon with Boat Ride with the Altria/Philip Morris Retirees Tuesday - May 19, 2015

More than just another historic home, Mount Vernon was the beloved home of George Washington . . . "Father of Our Country." As our nation's first president, George Washington is a timeless and inspirational hero to people all around the world. Come, discover America's first home and open the door to George Washington's world.

What makes this tour unique is that you will board a sightseeing boat in the morning in Alexandria, Virginia for a 1 ½ hour cruise down the Potomac River to Mount Vernon. Operated by the *Potomac Riverboat Company*, this scenic tour will be narrated to make it all the more educational and enjoyable. Upon arriving at *Mount Vernon*, either take the complimentary shuttle from the dock area or enjoy the walk (approximately 200 yards) to the *Mount Vernon Inn* for lunch. This charming colonial-style restaurant is complete with period furnishings and a wait staff in period costume. Please choose from either *Colonial Turkey Pye* (white-meat turkey stew served with mixed vegetables) OR *Tavern Cobb Salad* (crisp greens, topped with turkey, tomato, bacon, egg, crumbled bleu cheese, avocado and choice of dressing) OR *Half of a Triple Decker Club Sandwich with a Cup of the Soup of the Day*. Includes Cherry Pie and non-alcoholic beverage. **Please write your entree selection on your check.** Adjacent to the Inn are *The Shops at Mount Vernon* featuring fine gifts, jewelry, books, toys, and more!

After lunch visit the two newest facilities at Mount Vernon, *The Ford Orientation Center* and the *Donald W. Reynolds Museum and Education Center*. With its dramatic 18 minute film and many exhibitions, the center will give visitors an overview of the Mount Vernon experience. By exploring numerous galleries and theater spaces, visitors will learn about Washington's exceptional life and accomplishments through interactive displays, exhibits and short films. The centerpiece of a visit to this 500-acre estate is a guided tour through 14 rooms of the mansion, whose oldest part dates from the 1740s. Mount Vernon is filled with memories of George and Martha as they have both left an indelible stamp of personality and private tastes throughout the home and grounds. **Walking is involved - please wear comfortable shoes.**
